Endeavour Foundation Business Excellence and Impact Awards Luncheon

Celebrating Innovation, Leadership, and Inclusion

On Thursday 22 October 2026, at Rydges South Bank Brisbane, we proudly present the second annual **Business Excellence and Impact Awards**, an extra-special celebration this year, as Endeavour Foundation marks its 75th year—celebrating the power of inclusion and a legacy of impact for people with disability.

This distinguished event celebrates the power of diversity in the workplace, the strength of business partnerships, and the lasting impact of innovation across our Disability Social Enterprises and Learning and Lifestyle hubs. Together with our corporate partners, we acknowledge the achievements that bring real change to people with disability, their workplaces, and their communities.

Every day, at 50 sites across Australia, more than 1,700 employees with disability demonstrate excellence in their work, contributing with pride and skill to the nation's workforce. Their successes are amplified by the businesses who invest in these social enterprises—fostering opportunity, creating meaningful career pathways, and championing inclusion at every level.

At the same time, through 33 Learning and Lifestyle hubs across Queensland, New South Wales, and Victoria, we support over 1,000 participants to engage in tailored learning programs, community-based activities, and experiences designed to align with their individual interests and goals. These hubs are vibrant spaces of growth, connection, and empowerment.

The Endeavour Foundation Business Excellence and Impact Awards Luncheon provides a platform to shine a light on these quiet but powerful achievements, and on the partnerships that make them possible.

An Exclusive Corporate Event with Purpose
